

## The Kalamazoo Gazette

is the logical paper for people who live in Van Buren County to buy. With very few exceptions, subscribers receive same not later than twelve hours off the press in this locality. A great many receive the Kalamazoo Gazette three hours off the press.

Just at the present time, every thorough American is vitally interested in what is going on in France. He wants to know all the details of the advance and retreat; he wants to scan the casualty list to see if there are any names which are familiar to him. In fact, he is so interested that he can not get this news too soon. The way for the people in or near Paw Paw to get this news first, is for them to become consistent subscribers to the Gazette.

### "Newsabout Fords"

We have thirty or forty casings at old prices yet. First come, first to save money.

Bert Adriance, R. N. Adams and Charles Summy of Paw Paw were lucky enough to get new Fords this week.

New pleasure cars are so scarce that dealers in Western states are buying up old cars in this vicinity and driving them West. Better pick up that second hand car NOW.

We have a good used Ford, 1914, in good running order at \$225.00 and a 1917 at \$300.00. Come in and look at them.

We find that repaired Fords that may fail to give satisfaction are those in which "pirate" repair parts have been used. If you will always insist that your repair man use nothing but repairs that have been made by the Ford Motor Company, you will surely have better satisfaction. Hundreds of firms make "Ford" parts, but only the Ford Motor Company make the genuine. If inconvenient for you have your repair work done here, buy the parts from us and have whom you please install them.

If you are troubled by porcelains breaking, we have a spark plug which is guaranteed not to break. If it does we hand you another without cost or argument.

Buy a can of ZIT and polish up your car and furniture too, \$1.00.

#### ANNOUNCEMENT

To the Republican Electors of Van Buren County:

I take this method of announcing that I am a candidate for the nomination for the office of County Clerk on the Republican Ticket at the approaching August primary election. The voters of this county are familiar with my record as Sheriff, which, I think I may say without boasting, has been fairly successful and efficient. Should I be nominated and elected County Clerk, I pledge myself to give the same careful and painstaking attention to the duties of that office that I have given to the obligations devolving on me as Sheriff. I shall give my most hearty support to the republican ticket, whether I am elected as a candidate or am not.

With these few words I respectfully solicit your support at the polls. Gladstone R. Beattie. (Paid Political Advertising) 1812
